www.southampton.gov.uk
If you have difficulty reading the map and guide in this format please contact 023 8083 3816.

The public transport map is designed to help you get around the city by public transport. Those bus routes that are every 20 minutes or more frequent Monday to Saturday daytime are shown in different colours to make it easy to identify them. Many corridors from the City Centre to Bitterne, Portswood, Shirley and Woolston have a high frequency of services as a result of a combination of routes and operators.

The information is correct as at 12 December 2010 but bus services may change at short notice and the council is unable to accept any responsibility for any subsequent inaccuracies in this guide.
